UNITED STATES OF AMERICA,

Plaintiff,

vs.

TODD MARTIN KREYKES,

Defendant.

U.S. District Judge

FELONY INFORMATION

The United States Attorney charges:

(Theft of Government Property)

From in or about April, 2020, to in or about November, 2021, in the Southern Division of the Western District of Michigan, defendant,

TODD MARTIN KREYKES,

knowingly embezzled, stole, purloined, and converted to his use or the use of another, money or a thing of value exceeding \$1,000.00, of the United States or of any department or agency thereof.

Specifically, defendant, a licensed medical professional in the state of Michigan, owned and operated Boardman Family Practice, a rural health center that provided primary care medical services. From in or about April 2020, until in or about November 2021, Boardman Family Practice received over \$294,000.00 from the United States through various federal programs designed to assist medical providers in providing care and treatment for patients during the Covid-19 pandemic, including the CARES Act Provider Relief Fund, CARES Act Rural Health Center Distribution, Rural Health Center Testing Program, and the Rural Health Clinic Vaccine Confidence Program. Defendant accepted these federal payments and attested to the

accompanying terms and conditions that required the funding to be used to prevent, prepare for, and respond to the Covid-19 pandemic, Covid-19 testing and vaccination, or to reimburse the recipient for health care expenses or lost revenues attributable to the coronavirus. Instead, defendant stole over \$200,000.00 of the federal funds and converted them to his own use by spending the federal funds on a new truck, a Harley-Davidson motorcycle, a camper, and other personal items and expenses, remodeling his home, paying off personal loans, and taking vacations, all in violation of the terms and conditions of the federal programs.
